To Residents and Family Members:

The COVID-19 Vaccination Clinic at CCRC was held yesterday from 10:30 AM to 5:30 PM in the Chesapeake Room. The vaccinations were given by pharmacists and technicians from the Walgreens Pharmacy. Everything ran smoothly with 100 Residents & 109 Employees receiving COVID-19 vaccines. Our next clinic will be held in 21 days on January 28, 2021.

We received test results for the PCR COVID tests that were administered on all residents in the facility, January 5th. Test results were 100% negative.

We had 3 additional employees test positive on the employee testing this week for a total of 4 positive employees.

After receiving the 3 positive COVID tests late in the week, we POC tested all residents on Friday, January 8th. All residents tested negative.

Thank you.

Sincerely,
