

January 29, 2021

To Residents and Family Members:

Update on COVID-19 test results -

We had two (2) employees test positive for COVID-19 on Wednesday, January 27th and one (1) employee test positive for COVID-19 on Thursday, January 28th.

All COVID-19 test results were negative for Bay Lane, Harborview, Riverwalk and Tidewater Cove residents on Thursday, January 28th and Friday, January 29th.

We had a successful Vaccination Clinic on Thursday, January 28, 2021.

One (1) resident received their 1st dose and sixty-eight (68) residents received their 2nd dose.

Twelve (12) employees received their 1st dose and one hundred and one (101) employees received their 2nd dose.

The 3rd and last Vaccination Clinic will be held at Citizens Care & Rehabilitation Center on February 18th.

Sincerely,

Peter A. Panos
