To Residents and Family Members:

COVID Update at Citizens Care –

Sunday, March 6th, we had a resident on Riverwalk test **POSITIVE** for COVID. We now have a total of 2 residents currently showing **POSITIVE** for COVID. We are currently in OUTBREAK Mode (Beauty Shop is cancelled and Residents may not visit residents on other units).

All residents residing on Riverwalk were tested Sunday, March 6th. No new COVID **POSITIVES** were identified. Symptomatic residents will be tested.

Employees that worked on Riverwalk in the 48 hours prior to the COVID **POSITIVE** being identified were tested Sunday or scheduled to be tested. All employees are routinely tested on Mondays. As of 2:00 PM today, all employees tested were **NEGATIVE**.

The COVID positivity rate in Harford County continues on a decline, this week is 3.2%, down from 3.6% last week. The level of community transmission in Harford County has been downgraded from SUBSTANTIAL to MODERATE.

As always, please contact me directly if you have any questions or concerns. I can be reached at 410-942-2101. If I'm unavailable when you call, please leave a message and I will call you back as soon as possible.
