& REHABILITATION CENTER

March 26, 2021

Good afternoon to all, hope you have been able to get outside and enjoy this beautiful Spring weather.

I'm very happy to report that we had another week with no new positive COVID test results. We have now gone 46 days without a positive COVID-19 Test. I congratulate all residents, staff & contractors for continuing to stay COVID Free.

Although we have stayed COVID Free, COVID has actually been on the increase in the Harford/Cecil County areas. As a proactive step, we have gone back to testing employees & contractors two times per week.

Visitation continues weekly on Tuesday, Wednesday, Friday, Saturday and Sunday of each week from 2:00 PM to 4:00 PM each day. Contact Jocie or Pam at 410-942-2126 to schedule a visit with your loved one. Please share this information with any family or friends that would be interested in visiting.

If you have any questions or would like additional information, please contact:
