

May 13, 2022

To Residents and Family Members:

Update from Citizens Care—

- It's Friday, May 13th and we are concluding our week of celebrating National Staff Appreciation Week.
- Unfortunately, we are now in outbreak mode. We had one employee test positive for COVID yesterday. The employee last worked at Citizens last week (within 14 days).
- Staff & Visitor testing will remain the same.
- Residents should continue to wear masks when outside of their rooms, keeping proper social distancing (6 ft.) when possible & frequent handwashing.
- Reminder: If you haven't responded yet concerning the **May 24th Booster Clinic, please reply with your decision to accept or decline** the vaccination for your loved one. Email Pete with your decision at pete_panos@citizenscarecenter.com

Questions about the vaccination, please call our Nursing Director, Cassie Evering at 410-942-2100 or Email Cassie at cassie_evering@citizenscarecenter.com.

Sincerely,

Peter A. Panos

Administrator
