To Residents and Family Members:

I'm happy to report that for the last two full weeks of testing, we have had **100% NEGATIVE test results for Residents, Staff & Contractors**. As such, as of May 27th we are no longer in outbreak. Going forward, we will be testing staff & contractors one time per week, residents will only be tested when they are symptomatic.

Visitation continues on Tuesday, Wednesday, Friday, Saturday and Sunday of each week from 1:30 PM to 4:45 PM each day. Contact Jocie or Pam at 410-942-2126 to schedule a visit with your loved one. Please share this information with any family or friends that would be interested in visiting.

We are still accepting requests from residents & staff to get the COVID vaccination, residents should notify their nurse if they would like to receive the COVID vaccination.

Stay safe & vaccinate.

Sincerely,

Peter A. Panos
