

June 30, 2021

To Residents and Family Members:

**COVID-19 Update --**

1. Clarification of the Visitation Policy Change Effective 6/18/2021 –  
As stated in the 6/18/2021 communication, if the visitor & resident are **fully vaccinated** then a face shield & face mask are not required of the visitor or the resident **during the visit**. The visitor is still required to wear a face mask when they enter the facility and throughout the facility. For unvaccinated visitors, a face shield will also be provided. The face mask & face shield can only be removed during the visit with the resident.
2. Employees, Volunteers & Contractors continue to be tested for COVID-19 weekly. Residents are only tested for COVID-19 when symptomatic. We have not had a positive COVID-19 test result since May 10<sup>th</sup>.
3. Vaccination rates at Citizens Care --
  - 91.2% of our Residents have been vaccinated
  - 73.4% of our Employees have been vaccinated
4. While not required, we encourage visitors to get vaccinated.

Contact Jocie or Pam at 410-942-2126 to schedule a visit with your loved one. Please share this information with any family or friends that would be interested in visiting.

Sincerely,

Peter A. Panos

Administrator
