

August 25, 2022

To Residents and Family Members:

- Correction to letter dated August 19, 2022. The Dietary employee that tested positive on August 18th had been away from the facility for 8 days prior to testing positive, per regulation this employee's positive test result should not be included in the total positives for the facility.
- Wednesday, August 24th, an Administrative employee tested positive for COVID-19. This employee was last in the facility Monday, August 22nd. Also on August 24th a Nursing employee tested positive. This employee last worked on August 23rd on the Tidewater Cove Unit.
- All residents on the Tidewater Cove Unit were tested for COVID-19. All test results were negative.
- All employees continue to be tested 2 times per week, usually Monday & Thursday. Positive tests results are reported to the Harford County Health Department and informed via letter/email to families & residents.
- We now have had a total of **34 COVID Positives** during the outbreak that started on May 12, 2022--
25 Employees, 1 Contractor, 1 Agency, 1 Volunteer, 1 Student & 5 Residents.
- The Positivity Rate for Harford County is 11.7%, down from 12.2% last week.
- Community Transmission Rate for Harford County is HIGH.
- We are in outbreak mode.

Sincerely,

Peter A. Panos
