

September 1, 2020

To Our Residents and Family Members:

Final COVID Testing results for the week starting August 23rd –

- On Monday & Tuesday, August 24th & 25th, we collected testing samples on 182 Staff & Contractors.

Final Lab results –

179 Staff & Contractors were negative

3 Staff & Contractors were positive

(The 3 employees were immediately removed from the schedule after we were notified of their results)

- On Tuesday & Wednesday, August 25th & 26th, we collected testing samples on 110 Residents.

Final Lab results –

109 Residents were negative

1 Resident was positive

(The positive resident has been moved off of the long term care unit and placed on our isolation COVID-19 unit)

We will be COVID testing again this week, Residents Tuesday & Wednesday (9/1 & 9/2) and Staff Monday & Tuesday (8/31 & 9/1). Test results will be communicated as soon as we receive results from the labs.

Thank you for your patience and understanding during this pandemic.

Sincerely,

Peter A. Panos

Administrator
