

September 21, 2021

To Residents and Family Members:

Getting a flu shot is an essential part of protecting the health of our residents and employees health this year and every year. The influenza vaccination will be available shortly for our residents.

The CDC is recommending a 3rd Dose of the COVID-19 Vaccine for moderately to severely immunocompromised people. COVID-19 third doses are coming available soon with physician's approval for our residents. We will be reaching out to each of you with further information.

Per the CDC, Harford County is currently in a HIGH Level of Community Transmission. Starting this week at CCRC – Unvaccinated staff will need 2 negative test results every week to remain on the schedule.

COVID-19 Statistics recently published by The Centers for Disease Control and Prevention (CDC). COVID-19 Vaccine protection against hospitalization and death remained strong even when the Delta variant was the dominant form of infection. The CDC study also found that the COVID-19 vaccines' effectiveness in preventing infection dropped from 91 percent to 78 percent.

Contact Jocie or Pam at 410-942-2126 to schedule a visit with your loved one. Please share this information with any family or friends that would be interested in visiting.

Sincerely,

Peter A. Panos
