

September 23, 2022

To Residents and Family Members:

- Thursday, September 22nd, an Administrative employee tested positive for COVID. This employee was last in the facility Wednesday, September 21st with no resident contact.
- Friday, September 23rd, a Nursing employee tested positive for COVID. This employee last worked Wednesday, September 21st on the Bay Lane Unit.
- All residents will be monitored daily for COVID-19 & all Bay Lane residents will be tested for COVID-19 today, September 23rd and Monday, September 26th.
- All employees continue to be tested 2 times per week, Monday & Thursday. Positive tests results are reported to the Harford County Health Department and informed via letter/email to families & residents.
- We now have had a total of **40 COVID-19 Positives** during the outbreak that started on May 12, 2022--
30 Employees, 1 Contractor, 2 Agency, 1 Volunteer, 1 Student & 5 Residents.
- The Positivity Rate for Harford County is 10.1%, down from 10.4% last week.
- The Community Transmission Rate for Harford County is HIGH.
- Our next COVID-19 vaccine clinic is scheduled for October 21st. This clinic will be for residents & staff. More information will be distributed soon on the updated bivalent COVID-19 vaccine booster.
- Looking forward to COVID FREE days ahead for all.

Sincerely,

Peter A. Panos

Administrator
