

October 21, 2021

To Residents and Family Members:

Update on COVID-19 testing results --

Today, October 21, 2021, we had a non-nursing staff member test positive for COVID-19. The employee was removed from the schedule and was PCR tested. We have now had a total of 2 non-nursing staff members test positive for COVID in the last 8 days.

Visitation will remain cancelled through Monday, October 25th.

Stay safe & vaccinate.

Sincerely,

Peter A. Panos

A handwritten signature in black ink that reads "Peter A. Panos". The signature is fluid and cursive, with a long horizontal stroke at the end.
