

October 21, 2022

To Residents and Family Members:

COVID Update

1. **Routine COVID testing** of asymptomatic Residents & Visitors will be discontinued starting October 24, 2022.
 2. All Visitors will continue to be screened daily for COVID.
 3. Visitation should not take place when the visitor has a positive test for COVID, symptoms of COVID or has been in contact with anyone who has tested COVID positive in the last 14 days.
 4. All Residents will continue to be monitored daily for COVID and will be tested if symptomatic.
- Monday, October 17th, a Nursing Employee tested positive for COVID. This employee last worked on Friday, October 14th
 - Positive tests results for employees, residents & guests are reported to the Harford County Health Department and informed via letter/email to families & residents.
 - The Positivity Rate for Harford County is 9.0%, down from 9.1% last week.
 - Harford County remains at SUBSTANTIAL in the rate of Community Transmission.

Sincerely,

Peter A. Panos

Administrator
