Update on COVID-19 testing results & visitation --

Good News - Visitation will resume on Wednesday, November 17th. Please contact Jocie or Pam at 410-942-2126 to schedule a visit with your loved one. If you would like to schedule a LOA (Leave of Absence), please contact Cassie Evering at 410-942-2100.

Our most recent outbreak continues. We had a second employee test positive for COVID-19, for a total of 2 employees in the last 3 days to test positive. Per policy, this employee was removed from the schedule.

We will continue with required testing of residents, employees and contractors going forward.

Friday evening (November 12th), revised visitation regulations were received from CMS (Centers for Medicare & Medicaid Services). We are in the process of revising our Visitation Policy to coincide with the new regulations. We will continue using our existing Visitation Policy until the updated version is completed and approved.

Thank you for your patience and understanding.

Sincerely,

Peter A. Panos
