November 22, 2020

To Residents and Family Members:

On Saturday, November 21st, one of our Dietary employees started feeling ill. The employee went to the doctor and was COVID-19 tested, test results were **Positive**. This same employee was COVID-19 tested Monday, November 16<sup>th</sup> and received a Negative test result.

We now have 155 Employees & Contractors that tested Negative and 2 Employees that tested positive for COVID-19 for the week starting November 16th. We are still waiting on test results for 27 Employees.

Nothing has changed for Residents, still 100% Negative.

Stay safe! Stay Healthy and thank you for being Citizens Strong!!

Sincerely,
