To Residents and Family Members:

Updated information has come in today on our COVID testing at CCRC.

We still have not received the testing results for the employee's first test that was done Monday, 11/23.

As you know, we tested employees on Wednesday, 11/25 using the Rapid test. The test results were available in 15 to 20 minutes. We had one (1) employee test positive and the remainder of employees tested negative.

All Residents received a COVID-19 PCR Test Tuesday morning (11/24), the test results came in this morning and all residents tested negative, **100% Negative for the third week in a row.**

Hope everyone had a Great Thanksgiving!!

Sincerely,
