

December 20, 2021

To Residents and Family Members:

Just a short note to let you know that we had a Nursing Employee test positive for COVID-19 Monday morning, December 20, 2021. The employee was sent home immediately to begin a minimum of 10 days of isolation.

We administered POC COVID tests on all residents today, December 20th. The test results for all residents were negative. We plan to administer PCR COVID tests on all residents in the next 1 - 2 days, test results are expected by this weekend.

You will receive notification if any residents or additional employees test positive for COVID-19.

During this period of Outbreak, the front entrance will be closed to visitors. Visitors are directed to park in the parking lot behind the building and use the back door (River Walk Entrance) to access the facility. Security will greet all visitors from 6:45 AM to 8:00 PM.

Thank you for your support during this outbreak.

Sincerely,
