

STAFF MEMO 8/06/2021

TO: All CCRC Staff, Volunteers & Contractors

FROM: Peter A. Panos, Administrator

PETE

1. 150 staff & contractors were tested for COVID-19 Thursday, August 5th – all test results were negative.
2. CCRC Staff, Volunteers & Contractors have gone 126 days without a positive COVID-19 Test!!
3. 96.7% of CCRC residents & 80.1% of CCRC staff have been fully or partially vaccinated.

We should all feel proud that we have done the right thing at work and at home to protect the residents, ourselves and the people around us.

Please continue to follow the infection control guidelines that we have learned over this last year and where possible share what you have learned with others.

Respiratory Fit Testing for N-95 Masks – If you have not been fit tested, see Joe Jones or BJ Magness to schedule an appointment.

Dayrooms are for our residents to spend time outside their room. Employees should not be taking meal breaks in the resident dayrooms on each unit.

[Get Vaccinated, PLEASE](#)
