## Rolling and Strolling is Back!

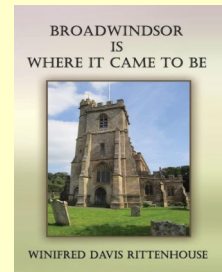

*On April 11th and the 25th we will be starting back with Rolling and Strolling. If you are a person who enjoys fresh air and the big open outdoors than this is an activity meant for you. Come along with us as we explore our home town of Havre de Grace. We will be going to the water, the Lighthouse, the park with the horse in it and downtown for coffee. We will be leaving promptly at the appointed time. Normally it will be at 11:00 am but if we go down town for coffee than it will be a little earlier. We will make you aware if it is earlier. Residents please tell someone in Activities if you would like to go for one of these walks.*

## Did You Know???

*We have a published author in our midst. Our own Winn R. of Harborview has had her published book put in the World War II museum. Her book tells of the trials and tribulations of being a war bride.*

*Congratulations Winn.*

*Winn has always loved life and here she can be seen last March as a little leprechaun.*

## Spring Project for Harbor View

*Our friends in the County have approved a new roof for this part of our building. This Spring, the date to be announced, Harbor View will be receiving a new roof. We are all very grateful for this new development and thank the County very much. That being said, there will be a lot of noise over head on Harbor View during the day when they are tearing up the old roof and putting the new one on. We ask for your patience during this time.*

## *An Easter Egg Hunt to Remember!*

*It all started with a loose rabbit in our courtyard spreading his half Easter eggs all over the grass then some of our staff members being really good sports helped the residents pick up all the eggs that that “Waskilly Wabbit” dropped on the grass outside. Some of the staff really got into their job and came inside not only with half eggs but dirty knees as they picked up the eggs. Now that’s dedication! Then the staff was to the rescue again and helped the residents put the eggs together. Not just two pieces that fit together but they had to be the right colors as well.*

*The real work began sorting the half eggs and making them whole. Knowing that a pizza party for the winners unit was at stake. All the units worked so hard but only one unit could prevail as the winner. The unit that put together the most eggs was Bay Lane with 163 complete eggs. Thank you staff and volunteers for making this activity a success for all. Oh, and if you are wondering who our Bunny was this year you need wonder no more because it was our own Keith S. in Administration.*

*Thank you Keith, you did a great job!*
